INSPECTION SERVICES

Residential & Commercial

ALL INSPECTORS ARE STATE CERTIFIED

SERVING THE PALM BEACH COUNTY AREA SINCE 1988

Hy-Byrd Inspections, Inc. (Hy-Byrd), a family-owned business, was founded in 1988 by Mr. Joseph A. Crisafulle, who remains as the President. His son, Michael J. Crisafulle serves as the Vice President.

The company has been in business for 15 years in the Palm Beach County area, but its inspection services have expanded to several surrounding counties in Florida. With a commitment to rapid response and inspection efficiency, Hy-Byrd has earned a reputation based on service and is an asset to any project or municipality.

Hy-Byrd employees are all **state certified and licensed**.

SERVICES OFFERED:

- The inspectors provide a number of services to municipalities and private entities.
- All inspectors are available for full-time or part-time structural, electrical, plumbing and mechanical inspections as required on a daily basis.
- Building plan reviews for both commercial and residential properties.
- Zoning plans review for any properties.
- Inspections in the areas of building, electrical, plumbing, mechanical, swimming pool, existing buildings, abandoned or unsafe buildings and fire damage. All inspections are in a written format form.
- Special Inspectors.
- Threshold Inspections.
- Code enforcement services are also available.

BENEFITS GAINED:

- Services are provided on an as needed basis thus eliminating costs for employing staff personnel.
- Requested inspections are made within a twenty-four (24) hour period.
- On-site service inspections are immediate.
- Pre-application meetings are held with residents for variances and conditional use approvals.
- Hy-Byrd personnel will be available to attend Planning and Zoning Board and Board of Adjustment meetings as required.
